Our Jr High 3on3 Program is the best way to generate creativity and advance your hockey sense. Using our smaller ice surface we will be able to push players out of their comfort zone and get them to make smarter decisions in a fast paced atmosphere. This league will give players the opportunity to work on their reaction time, their foot

speed, and of course their stickhandling. This 10 week program will make your child a better hockey player and give them the tools to bring to the next level.
